Scores

Name	Sheet	Score	Percent	To check
STUDENT A	1	5 / 10	50.0%	
STUDENT B	2	6 / 10	60.0%	3

Marks to check on the paper sheet

Multiple: two bubbles filled, no credit given, as a machine would score it. **Light**: faint or an X, scored as read.

Name	Question	Issue	Read as	Key
STUDENT B	2	Multiple	Multiple	B
STUDENT B	6	Light	B	A
STUDENT B	9	Light	D	D

Item analysis

How many students chose each answer. The key's column is shaded. **Discrimination** is the share correct in the top third by score minus the bottom third: 0.3 or more is good, below 0 usually means a wrong key or a misleading question.
